

## Commercial Laboratories Certified to Perform Analyses on Public Drinking Water

Ohio Environmental Protection Agency  
Division of Drinking and Ground Waters

April 2016

Laboratories certified to perform analyses are marked with a ✓ (if certified for all chemicals in a group). The list does not show all drinking water tests a lab is certified to perform. Call the lab for this information or visit our website at [www.epa.ohio.gov/portals/28/documents/labcert/chemlabs.pdf](http://www.epa.ohio.gov/portals/28/documents/labcert/chemlabs.pdf).
