SENT VIA U.S. MAIL

SUBJECT: Chardon Township Sewer Project median household income survey

Dear Resident,

The Geauga County Department of Water Resources (GCDWR) would like to notify residents of the Berkshire Heights Estates subdivision about the median household income survey being conducted for the Chardon Township Sewer Project. Residents should expect to be visited at their door by CT Consultants between the dates July 18th and July 27th in order to obtain the needed number of survey responses for the project to be eligible for funding. With your cooperation in completing the survey, the project may be able to obtain adequate funding, which could substantially reduce the project costs to be assessed on resident properties. If you already completed and returned the MHI survey which you received in the mail, you will not be visited by CT Consultants, and we thank you for your cooperation. You may contact our office with questions at any time.

Best regards,

Gauga County Department of Water Resources
Laura A. Weber, P.E.

Laura A. Weber
