December 18, 2019

Reminder: December 2018/January 2019 Water & Sewer Rate increase

On October 12, 2017, the Board of Commissioners approved and adopted the 2018-2023 Rate Schedule with the water and sewer rate changes effective with the December 2017/January 2018 billing cycle. The water rate increase is the second of three annual rate increases and the sewer rate increase is the second of six annual sewer rate increases out to 2023.

These rate increases are necessary in order to: (1) continue providing water and/or sewer service, (2) maintain our aging infrastructure, and (3) service current debt. The Board decision was not taken lightly and was based on an extensive water & sewer rate study conducted in 2016.
