**SUBJECT: Notice of construction – Berkshire Heights Sanitary Sewer
Cutting pavement on Henning Drive, Helmut Drive, Olmar Drive, and Howard Drive**

Dear Resident,

This letter is to notify you that starting on 10-19-2020, there will be pavement cutting taking place on the following roads:

- Henning Drive
- Helmut Drive
- Olmar Drive
- Howard Drive

During this process you will notice paint lines on the roadway along with men and equipment preparing to cut the roadway surface for the installation of the new sewers. When cutting the roadway, water is used keep dust to a minimum. Please refrain from parking vehicles on the side of the road during this time.

The roads will be closed to thru traffic but remain open to all residents and traffic will be safely maintained by the general contractor. Driveways and private property will remain undisturbed. Construction activity will take place between the hours of 7:00 AM and 7:00 PM. Some noise should be expected. If you have any questions regarding this notice, you may contact our office.

Respectfully,

Brian Croff
Project Engineer
Gauga County Department of Water Resources
