Reminder: Unlawful connections to sanitary sewers

In accordance with the Geauga County Department of Water Resources Rule & Regulations, revised March 17, 2015, connecting stormwater inflow to sanitary sewers maintained and operated by the County is expressly prohibited. If it has been determined that a property owner has an unlawful connection to the sewer system, the property owner is subject to additional fees, fines and/or other remedies available to the County.

If you have questions or need further information, please refer to the Geauga County Department of Water Resources Rules & Regulations, pages 27-28 and Appendix A. The link to the Rules & Regulations can be found on the department's home webpage.
