

UTILITY ASSISTANCE PROGRAM

Lifeline's Utility Assistance Program is designed to support residents of Geauga County, Ohio, who need financial assistance with their utility bills who have already exhausted available HEAP (Home Energy Assistance Program) funds for their electric and heating needs, or who do not qualify for HEAP.

Assistance is available for electricity, heating, gas, water, and sewer services. Qualifying individuals must use HEAP first if eligible for electric/heating. Assistance is for arrears or deposits only and does not cover current or future payments. This program offers up to \$300 per household in one-time assistance per year.

WHO QUALIFIES

- A Geauga County resident

- Meet current CSBG income guidelines

- Must supply supporting documentation for identity & income verification

- Must complete an intake appointment
